

Solent Incident and Accident Reporting Form

What the form is for - This common reporting form is to be used for maritime incidents that occur in or close to the waters of: ABP Southampton, The Queen's Harbour Master Portsmouth, Portsmouth International Port, Cowes Harbour Commissioners and Langstone Harbour as shown in the chartlet below.

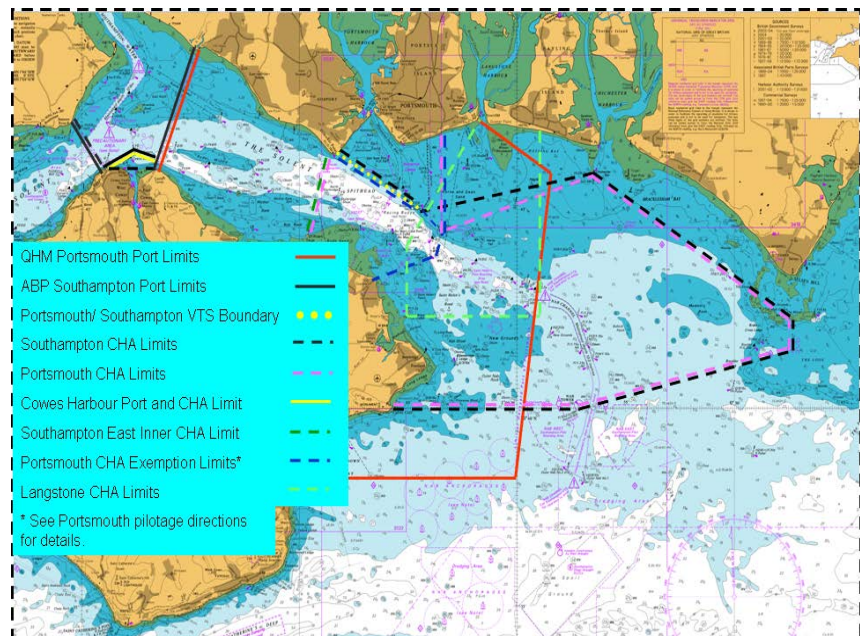

How to complete the form - The form can be used to report all types of incident or accident, near miss or potential risk. Sections 1-3 and 11 must be completed followed by the relevant section for the type of incident.

If you are reporting a leisure or recreational incident the shorter reporting format at section 12 can be used. In this case there is no need to fill in sections 1-3 or 11.

Once the Form is Completed - Please forward it to the Harbour Master in whose area the incident occurred.

Provenance - This form replaces all existing report forms in use by the port authorities mentioned above.
