

COWES HARBOUR COMMISSION

LOCAL NOTICE TO MARINERS No. 31(T) of 2022

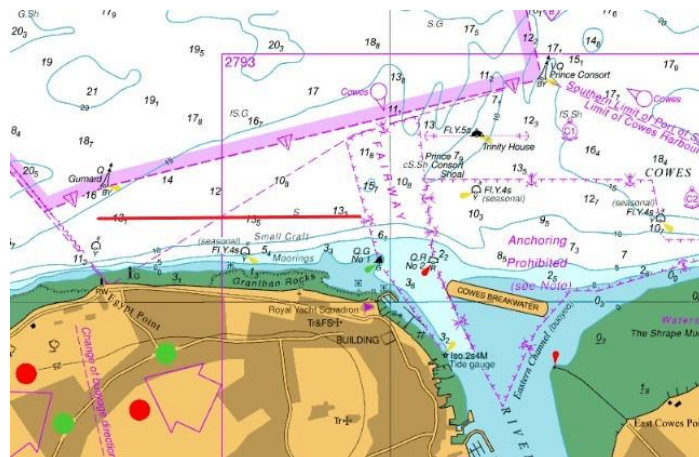

Event Mooring Deployment

Notice is hereby given that the event moorings for 2022 have been deployed in Cowes Harbour. The event moorings are located North of Cowes Breakwater and West of the Harbour entrance. Each row is marked with multiple unlit mooring buoys of various sizes, some with strops that extend from the mooring buoy itself.

The moorings North of Cowes Breakwater, referred to as J Row (Northern most row) and the Day Class moorings, are located in the box marked on the chartlet below:

The moorings West of the Harbour entrance, referred to as M Row, are located from Egypt Point to the Royal Yacht Squadron. The Western limit of the M Row moorings is $50^{\circ}46.1'N$ $001^{\circ}18.8'W$, and the Eastern limit is $50^{\circ}46.1'N$ $001^{\circ}18.1'W$.

ALL mariners are advised to navigate with extreme caution in the vicinity of Cowes Breakwater and the Outer Harbour and M Row and not cut between the rows.

The event moorings remain in place until 1st September 2022.

This local notice to mariners will remain in force until further notice.
